2. A rider may qualify in only one region and for only one affiliate.
3. The rider must be a member of their local affiliate and their National Association Affiliate where applicable at the time of competition for points to count toward regional finals qualifications.
4. The affiliate membership lists will be used to determine a rider's affiliate. Riders with membership in more than one (1) affiliate must declare to the NRHA office each year by July 1, the affiliate they plan to represent at the regional finals whether or not they have shown in more than one affiliate. A rider's designation will remain as declared until the NRHA office is notified of a change. Designations and changes received between July 1 and December 31 will apply to the following year.
5. Points are to be calculated on a one horse/one rider format.
6. Points will be awarded based on the number of horses actually competing in the class, i.e. if fifteen (15) horses compete, first place will be awarded 15

points, 2nd–14 points, etc. Points will be calculated on horses actually competing, excluding the horses entered but scratched. Zeros and no scores will not be awarded points.

7. The top ten (10) horse and rider combinations plus ties from each class offered in a circuit qualify for the regional affiliate finals. There will be no alternates, nor will substitutions be allowed.
