

“HOW TO GUIDE” FOR LITE LICENSED COMPETITION

The US Equestrian Federation welcomes you in hosting and/or participating in a Lite Licensed competition. The USEF Lite Competition Program was developed as an accessible competition product for organizers who wish to “test drive” hosting a USEF licensed competition. This program provides access to equestrians who are interested in competing under the framework of organized equestrian sport, involving rules and policies that support the safety and welfare of equestrians and their horses and offer a fair and level playing field.

This *How to Guide* will aid in helping you understand what a Lite licensed competition has to offer. Within this guide you will find quick links for information, a reference chart for Lite specific competitions, USEF staff contact information, and more.
